

ATTENTION ALL BIKE OWNERS

Building 24 & 25 Bike Rack Information

- To use the bike racks in garage 24/25, there is a one-time \$10 registration fee per bike. Good news: if you get rid of an old bike and purchase a new bike, a new registration tag will be issued to you free of charge.
- Due to limited amount of bike rack space, registered bikes are limited to one bike per person. However, the maximum number of registered bikes per unit is two. Bicycle carts are not allowed. Lastly, we will not register a visitor's bike because the bike racks are for only for Association III owners / resident- must be issued a Scottsdale Shadows card for building 24 or 25.
- Our good neighbor policy: Park your bike in an open spot and only lock-up your own bike. If you pull out another's bike in order to park your own or lock-up another residents' bike, you will lose your privilege of using of the bike racks.
- Unregistered bikes will be removed and placed into storage for a month. Unclaimed bikes will be donated to charity.

To register a bike please email

This procedure assists with keeping abandoned bikes out of the bike racks.

Thank you for your cooperation,
